The Director may negotiate special rates, charges, fees and services for use of the Department facilities by events that represent significant local economic impact, hotel occupancy tax or substantial facility revenue provided, however, that the direct dollar impact from all sources must not be below the operating cost of each area or facility used for an event. The Director may use the following formula to calculate the direct dollar impact of conventions: Delegate Spending [# of Attendees] x \$974 (amount per stay) + Exhibit Company Spending [# of Exhibiting Companies] x \$7,004 (amount per stay) = Direct Dollar Impact \$

The source of the Direct Dollar Impact Formula is Destination Marketing Association International (DMAI). This formula is based on the DMAI ExPact Study. DMAI periodically updates the formula's amount per stay multiplier. The Director may update this multiplier so it reflects the current DMAI multiplier. When an outside entity is utilized for food and beverage at the Lester E. Palmer Events Center, equipment and services are charged accordingly. Facility rental does not include equipment. Food and beverage service is exclusive to the in-house food and beverage management company in the Palmer Events Center meeting rooms 1-5.
